PROFILE

Full stack developer with more than 1 year working as a web developer specialized in JavaScript and its most popular frameworks. With knowledge in React, Redux, express, node, bootstrap and more. My experience in backend and frontend development allowed me to understand perfectly the communication in the both sides and also develop skills like solve problems, communication and teamwork.

PROFESSIONAL EXPERIENCE

Meintegral SAS,
Web developer PHP

Jul 2021 - Jun 2022

Achievements:

- Helped in the development of a detection of symptoms application in pandemic.
- I collaborated in the production release of a pharmacy inventory application that was implemented in several branches of the company in different departments of the country.

Henry, *Teaching assistant*

Jan 2023 - Mar 2023

Main tasks:

- Coordinate a group of new joining students throughout the whole bootcamp experience
- Guide students in the first steps of the course and clarify their doubts
- Provide assistance in solving exercises and encourage group teamwork (Pair Programming).
- Suggest ideas to improve the Bootcamp processes.
- Promote collaboration and build community within the students
